Abstract

This paper creates 「The Curing Method of Integrating Number Code and Emotion Accomodation」 for the purpose of enhancing 「body, mind and soul」’s health of people and blessing human-beings.

Our main contributions and expectations are proposing the above mentioned new concept of curing method, besides traditional curing method of knifing, medical drugs, chemical curing and radioactive curing, …, etc..

Our creative curing method could strengthen our immunity and anti-virus such that more than 177 kinds of diseases can be effectively segregated.

Keywords: Number Code, Emotion Accomodation, Soul’s Health, Health Management
