

Discusses Police from The Japanese Rule Time's Taiwan Tradition Poem the Image

YE, REN—JIEⁱ

Abstract

In Taiwan, Japanese rule time's police are described inside the modern literature the bad image. The historical researcher also fills not the good impression to Japanese rule time's police. But whether are all Japanese rule time's police bad, has the exception, perhaps is quite special? In one in 2008 in the newspaper report, once pointed out that has Japanese rule time police to protect the people to sacrifice. This represented us possibly to be possible to find some special police in the history the image. This article will discuss mutually by the literary work and the history.
