

# HOW CAN WE MAINTAIN LEARNERS' LS MOTIVATION IN A CLASSROOM SETTING?

Peter M. Kheradmandan

Lecturer, Dept. of Applied English Nanya Institute of Technology

## Abstract

The aim of this paper is to present an attempt to evaluate students' motivation in learning of foreign language in general and English in particular. It is mainly a theoretical concept of motivation including a definition of the concept, a presentation of the most important theories for motivating, and the factors influencing it.

Key words: learners' motivation, motivation, foreign language learning
