Wang Ling-yueh

Abstract

The current research about 《The definition convert The book of Changes into Chan of Buddhism》 which was written by Ou Yi master . Mostly incline toward the research of " the interaction between the Changes and the Buddhism" or " the interaction between the Confucinism and the Buddhism ", and concerning about the time and position in life which from the book , up to now seem not to have a related research . The issue of the time and position in life were the cour thought of the book . The book had been discussing the issue all the time , and had been teaching human how to tending the lucky chance and avoiding the bad chance . Most importantly , Ou Yi master discussed the issue with the Buddhist thought . After all , the the Buddhist doctrine could not leave the world to feel the world . Before becoming the Buddha , you have to practice the humman life and fix the human problem . It is the motive for me to research the ussue . This essay plans to research and analyse three section . "the time in the life" 、 "the position in the life" 、 "the convers of the time and the position in the life" which were concerned from 《The definition convert The book of Changes into Chan of Buddhism》 .

Ou Yi master who was to be a monk and talk about the problem of the person in the world . The theory "the time and position in life" had already surmounted general common customs of view . Take a comprehensive view of 《The definition convert The book of Changes into Chan of Buddhism》 , The issue of "the time and position in life" is the bridge to interact between the world studies and the Buddhist studies . In regard to the world studies , the mothed of tending to the lucky chance and avoiding the bad chance is the most important way for the gentleman to become a saint . In regard to the Buddhist studies , the mothed of tending to the consciousness and relieving the puzzle is the most important way for the Buddhist to become a Buddha . The value of the book is Ou Yi master could quit to seek the fame and fortune and promote the meaning and value of the life .
